MANY ROBBERIES IN CAPE CHARLES

Town Stirred Over Work of Thieves and Highwaymen.

Fire at Milford.

[Special to The Times-Dispatch.]
 Cape Charles, Va., July 26.—Frank Dorach, a baker, formerly of Baltimore, who recently opened a bakery here, held up and robbed last night by a negro highwayman, and received a good whipping. The negro, drunk until he was in front of his victim, when he grasped Dorach by the throat, threw his hands into his inside pocket, stole the purse and made his escape.

After being chloroformed, Fred Chapman, superintendent for Latta & Armstrong, contractors, Philadelphia, a guest at the Arlington Inn, was robbed in his room of \$30 in money and a gold watch last night. The residences of Harry Otton, Chas. Savage and Charles W. Patson, prominent citizens, were also broken into and robbed.

The audacity with which the thieves, robbers and highwaymen have been working in this town of late has greatly aroused the citizens, and has caused much alarm and anxiety among the women, many of whom are left alone with their children at night, while their husbands are at work.

The town being entirely without police protection at night, the robbers are working to suit their pleasure. The New York, Philadelphia and Norfolk Railroad Station at Chertown was broken into and robbed of a quantity of whiskey and merchandise. The thieves had evidently been frightened away, as a number of packages of clothing and other articles were taken by the thieves. An entrance was gained by cutting the wire screen and breaking the window in the rear, and express office. There is no clue.

A fire that threatened to destroy the business section of Milford started Sunday morning. The fire spread to the coal office of W. H. Davis, which was consumed. The stables of Peter F. Causey, Jr., were not burned, but the time the armory of Company B, organized militia, and the business sections along South Walnut Street were threatened. The total loss is estimated at \$15,000.

Miss Lottie Taylor, an employee of the Sussex Printing and Publishing Company, who was on duty at the office, narrowly escaped death when a large bolt, about a foot long, slipped from the hands of a lineman up a telephone pole and grazed one side of the body. Had the bolt struck her fairly on the top of the head it would have penetrated the skull.

WOMAN KILLED BY TRAIN.

Body Thrown Fifteen Feet From Track in Accident at Millington.

[Special to The Times-Dispatch.]
 Cape Charles, Va., July 26.—A pathetic accident occurred at Millington, a short distance from here, this morning, when Mrs. Alonzo Burroughs, thirty years old, wife of a well-known fisherman of that place, was struck and killed by a northbound freight train on the New York, Philadelphia and Norfolk Railroad. Leaving their three small children in the care of her mother, Mrs. Burroughs, accompanied by her husband, was waiting at the station for the arrival of the excursion train to Ocean City, Md., they having arranged to spend the day there.

The husband left his wife for a few moments to purchase tickets. During his absence the woman attempted to cross the track immediately in front of an approaching train. Stepping on the track, she became bewildered, and was unable to get out of harm's way. Before the train could be stopped she was run down. Her body was thrown fifteen feet, clear off the track. Besides numerous cuts and bruises she received a fractured skull.

On his return the husband was horrified to find his wife had been killed.

No Evidence of Crime.

[Special to The Times-Dispatch.]
 Fayetteville, N. C., July 26.—A coroner's inquest was held to-day on the death of Alderman Jackson, who died in Cedar Creek this county, last week, under what was considered suspicious circumstances. The jury, however, failed to find any element of crime in the case, and rendered a verdict accordingly.

YOUNG MAN HELDON SERIOUS CHARGE

Blackmails His Aunt and Is Arrested by Postal Inspector.

FARMERS IN CONFERENCE

Dr. Rose Investigates Status of Fight Against Hookworm.

[Special to The Times-Dispatch.]
 Raleigh, N. C., July 26.—Thomas Jones, a well connected young man, was jailed here to-day, charged with sending threatening letters through the mails and obtaining money through blackmail. His aunt, Mrs. Thomas B. Jones, of West Raleigh, opened his mail through mistake. He threatened her with prosecution in the Federal court, and finally agreed not to prosecute if she would pay \$25. She mailed him a check, and when he went to cash it, he was arrested by a postal inspector. He is in a cell in the Seaboard Air Line offices here.

The city authorities began this morning the work of tearing up the Belgian block pavement on Fayetteville Street to make way for the asphalt paving that is to be placed this summer and fall. The work is to be done a block at a time. The Belgian blocks are being conveyed to other streets, to be used in curb and gutter work. Upwards of \$50,000 is involved in the contract. The paving is to extend on Fayetteville Street from Davis to the State House and around Capitol Square, and also down Martin Street from Fayetteville Street to the Union Station.

Farmers in Conference.

There were 200 farmers assembled at the Agricultural and Mechanical College this morning for the opening of the North Carolina Division of the National Farmers' Union, when President H. Q. Alexander, of Mecklenburg, called the convention to order. There was a three hours' open session, during which there was the address of welcome by Mayor J. Stan. Wynne and responses by J. M. Kester, of Cleveland county, and Dr. J. M. Templeton, of Wake. There was to have been an address by Governor Kitchin, but he is detained in Scotland Neck by the desperate illness of his mother, who is not expected to live. Committees for the convention were announced and a program of other work was discussed before a recess was taken to 2 o'clock, when executive sessions were taken up. Much of the business of the union is behind closed doors.

The convention has meeting with it the president of the National Farmers' Union, Charles U. Barrett, of Georgia. The slogan of the union is "Live at home," this including diversity of crops and the raising of all supplies, in addition to the money crop.

Tom Kerr, the seventeen-year-old negro boy who shot to death his sister Sunday in Cedar Fork township, this county, has been captured at Durham and brought to Wake jail here. The sister was only twelve years old. The two had quarreled repeatedly during the day.

Growth of Banking Interests.

Some interesting figures, compiled by the Corporation Commission, present a very creditable showing of progress in the State banking interests of this State. An especially notable feature is that the total deposits in the 355 banks under the supervision of the commission at the close of business June 30 was \$44,107,329, against \$42,483,573 at the close of the report March 30. This is a gain of \$1,623,756 in deposits within the three months. These reports, of course, do not include national banks in the State. The total resources of the State banks are \$57,851,130, this being an increase of \$712,947. The aggregate capital is now \$85,155,545, a gain of \$807,000. The undivided profits increased during the three months \$137,983, this being from \$1,762,532 to \$1,900,515. The total surplus fund decreased \$12,923.

Dr. Wycliffe Rose, administrative secretary of the Rockefeller Sanitation Commission, and in charge of the Peabody fund, is spending a day or two here looking over the status of the campaign against the hookworm that is being so successfully inaugurated under the leadership of Dr. John A. Ferrall, assistant secretary of the State Board of Health, and in charge of the hookworm eradication movement in this State. Dr. Rose expresses himself as delighted with the progress and prospects in North Carolina, especially the indications that the people are responding so readily and heartily with the co-operation that is so necessary for the greatest amount of good among those afflicted with the disease. He is just back from a stay of several weeks in Porto Rico, where he investigated the progress of a special campaign against the hookworm in this, the real home of the disease.

INJURIES PROVE FATAL.

Fayetteville Man Dies as Result of Blow Dealt Him July 2.

[Special to The Times-Dispatch.]
 Fayetteville, N. C., July 26.—Fred Thomson, a young white man of Fayetteville, died in Highsmith Hospital to-day from the effects of a blow alleged to have been dealt by Ab Byrd on July 2. He was found unconscious in his room at the Martin Hotel about thirty-six hours after the occurrence. He was taken to the Highsmith Hospital, and never fully recovered consciousness before death. Ab Byrd was indicted in jail charged with the assault. A coroner's jury was held this afternoon, and rendered a verdict that "the deceased was struck on the left side of his head by some blunt instrument, which caused a compound fracture, and this was the direct cause of death. From evidence the blow was supposedly at the hands of one Ab Byrd."

SENATORIAL CONVENTION NOMINATES CANDIDATES

Thorne and Holden Will Make Race on Democratic Ticket—Interest in Good Roads.

[Special to The Times-Dispatch.]
 Nashville, N. C., July 26.—The senatorial convention of the seventh District was held here yesterday afternoon and T. T. Thorne, of Nash, and B. Holden, of Franklin county, were named as the Democratic candidates for the Senate in this district. Judge W. L. Thorpe, of Rocky Mount, was made the chairman of the meeting, and Captain T. C. Arrington, of Nashville, named Mr. Thorne. Solicitor C. C. Daniels, of Wilson, seconded the nominations, and Messrs. Thorne and Holden were nominated by acclamation. A resolution calling upon the Senators to make an effort to see that an antitrust law with "trust" be passed by the next Legislature was introduced by Solicitor Charles C. Daniels. It was seconded by Colonel Massey.

GRATEFUL MOTHER TELLS OF LITTLE SON'S SUFFERING

With Sores All Over Head, on Neck and Face, Cries Kept Parents Awake Through Long Nights. Hands in Gloves to Prevent Scratching. Used Cuticura Remedies. Cured in Less Than Three Weeks.

As a grateful mother, I feel it my duty to thank you for the cure of my little son who was afflicted for about eight months with sores all over his head, back of his neck and nearly all his face. We tried all kinds of remedies without any relief. We even employed a good physician, and I am sure he tried his very best to cure my poor suffering little boy. But, alas! instead of getting better he went for the worse. His head was literally covered with scabs and ugly sores and his cries kept us awake throughout the long night. I had to keep his hands in gloves to prevent his scratching his head, as he was doubtless suffering from a burning and itching sensation, and was constantly trying to put his hands where it hurt.

At last when he was about three years old, we saw an advertisement of Cuticura, and I decided to try the virtues of the Cuticura Remedies. I bought one cake of Cuticura Soap, a box of Cuticura Ointment and a bottle of Cuticura Resolvent. I used them according to directions, and I am happy to tell you the little sufferer was cured in less than three weeks. This was over a year ago, and now his head is covered with a fine growth of luxuriant hair. Strange to say, all those unsightly sores did not even leave a scar.

The work on the roads of Nashville township is progressing nicely. During the past spring the people of the township voted \$20,000 in bonds for road improvement. Splendid sand-clay roads are being built, and driving around Nashville is a delight. There is a road tax in Mannings, Nashville and Rocky Mount townships, in Nash, and other townships are catching the good roads spirit.

The Rocky Mount district includes several townships.
